## WHEN SUSTAINABILITY AND TECHNOLOGY REDEFINE REAL ESTATE

### REAL ESTATE DAY 2025

PARIS, 02.04.2025, 08:46 Time

**USPA NEWS** - The Real Estate Investment Industry, once seen as slow to adopt Technology, is experiencing a Digital Revolution today. Fuelled by Innovation and the Growth of Data, every Aspect of the Investment Cycle is being reshaped.

The Real Estate Investment Industry, once seen as slow to adopt Technology, is experiencing a Digital Revolution today. Fuelled by Innovation and the Growth of Data, every Aspect of the Investment Cycle is being reshaped.

In an Increasingly Connected and Data-Driven World, it is essential to explore New Proposals that bring Improvements to current Practices throughout the Real Estate Chain, in addition to already supporting the Rise of more Energy-Efficient Solutions through the Design and Maintenance of more Eco-Responsible Buildings.

Proptech continues to transform Real Estate through Innovations in Digital Technology, the Creation of New Economic Models, and the Consideration of Environmental Issues. "Real Estate Day" positions itself as a Key Space for Reflection, Collaboration, and Technology Monitoring. Beyond Innovations, this Event explores concretely how New Technologies are evolving the Real Estate Sector.

The situation of the real estate market in France faces an unstable political, legal and fiscal context, but also the entry into force of restrictive legislation, particularly in environmental matters and the reduction of energy consumption.

\* The Office Asset Class is the one that remains the most Deeply Impacted Today. Work from Home, Flex -Office and the Desire for Better Centrality and Accessibility have resulted in Increasing Office Vacancies in Secondary Areas.

\* The Retail Sector is marked by a rarely seen Number of Business Failures in 2024.

Panel

Charles PLESSIS, Associate Director at B-PART CONSULTING

Gildas CHAUVAU DE VALLAT President at CREATEAM

Laurane ARPINO, Prospective & Innovation Project Manager at PARIS&CO

Fabrice DANTEC, CEO NIDOMIO

Stéphanie POQUETTINO, Partnerships and Innovation projects Manager at CREDIT AGRICOLE GROUP

\* Logistics & Activities: It is the most Dynamic Asset Class, even if a Slowdown in Rental Demand seems to be starting.

\* Residential, Hotels and other Assets: Political Uncertainties and Upcoming Local Elections have significantly slowed down the Development of New Residential Programs.
